

Installation Authorization for Rental Property

_____, being the owner of the property located at _____, does hereby agree to allow Joink installers to install Internet services at said property. I understand a hole may be drilled in the wall where the cable outlet is to be located. I also understand that this installation may require a receiver being mounted on the outside of the building. Once service is cancelled, Joink will retrieve the installed equipment, as it is property of Joink.

This installation is being made at the request of _____, the tenant(s) of the property. The tenant(s) is/are solely responsible for any costs associated with the installation.

I hereby swear that I am the owner representative of the above mentioned property and have legal right to grant permission for this installation by providing my signature below.
